Montana Shares' Role

We are a 501c3 nonprofit and donations are tax deductible as permitted by law. No goods or services were given in exchange for this donation. Information provided is kept strictly confidential.

Individual nonprofit organizations generally can't take part in workplace charitable giving campaigns unless they are part of Montana Shares or a similar umbrella group. Montana Shares acts as an administrative mechanism through which you make payroll contributions to the groups of your choice.

Shares also advises and assists member nonprofits in fundraising and public relations. We raise public awareness of how all nonprofit organizations improve Montanans' quality of life. Montana Shares distributes 85% of the charitable giving campaign donations to member groups, 75% to non-member write-ins.

Montana Shares ensures that your donations go to well-run organizations. We are audited each year and meet the national standards for federations set by Community Shares—USA. We also hold our members to strict accountability standards.
